Mr. Ed Plummer, Superintendent
Eastern Navajo Agency
Crownpoint, New Mexico 87313

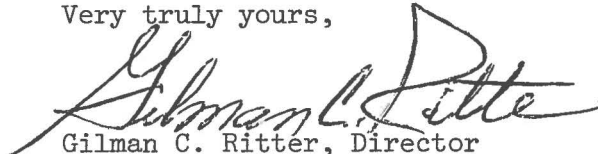

Dear Mr. Plummer:

In compliance with our telephone conversation of August 9th, I am enclosing the following publications and documents relating to the lands within Section 13, T13N, R11W, N.M.P.M., McKinley County, New Mexico, that are withdrawn from mineral entry by the Atomic Energy Commission pursuant to Public Land Order No. 964.

1. Environmental Statement (WASH-1523) Leasing of AEC Controlled Uranium Bearing Land.
2. Surface Protection Examination for the Atomic Energy Commission (BLM).
3. Exploration Plan prepared by G. Warnock.

I intend to make an on-the-ground examination of the SE $\frac{1}{4}$ and S $\frac{1}{2}$ N $\frac{1}{2}$ of Section 13, T13N, R11W, N.M.P.M. early next week with the lessee, Mr. G. Warnock, or his representative and hopefully with one of your representatives also. I shall call you as soon as I can to set up an acceptable time to make the examination.

Very truly yours,

Gilman C. Ritter, Director
Mining Division

GCR/seb
